Re: RM-7986

Dear Madame Secretary:

This office on August 18, 1992, filed a supplement to its reply comments. That supplement contained the declaration of Mr. Jeffrey Donahue bearing a facsimile signature.

So that the Commission's files will be complete, there is attached herewith an original and four copies of Mr. Donahue's originally signed declaration.

Should any question arise concerning this filing, kindly contact this office.

Very truly yours,

George L. Lyon, Jr.

DECLARATION OF JEFFREY DONAHUE

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Jeffrey Donahue, under penalty of perjury, deposes and states as follows:

1. I am employed by Dial Page, L.P. as the Tampa District General Manager. I am making this declaration for submission to the Federal Communications Commission to support Dial Page's Supplement to its Reply Comments concerning the proposal of the National Association of Business and Educational Radio, Inc. to grant exclusive use of 929 MHz Private Carrier Paging channels.

2. At the request of Dial Page's corporate headquarters, on June 30, 1992, I supervised the monitoring of all 37 local Public Land Mobile Radio Service 931 MHz channels to determine whether these channels were in use in the Tampa area.

3. Monitoring was done from the Tampa headquarters, located at coordinates 27-57-34 N. Lat., 82-30-16 W. Long. Each frequency was monitored for at least five minutes prior to concluding there was no activity present on the frequency. All monitoring was done between the hours of 11:00 a.m. and 5:00 p.m. Activity was found to be present only on the following channels:

1. 931.0625
2. 931.3375
3. 931.4375
4. 931.4625
5. 931.4875
6. 931.5125
7. 931.5375
8. 931.6875
9. 931.8125
10. 931.8375
11. 931.8625

Activity was also found on the three nationwide paging channels. Our monitoring did not detect paging transmissions on any other 931 MHz channel.

The foregoing statement, given under penalty of perjury is true and correct to the best of my knowledge and belief.

Jeffrey Donahue

August 17, 1992
